

BLACK RIVER GYPSIES

The Black River Gypsies are a five-part rock machine based at the musical crossroads of Columbus, Ohio. Their new album *Night Fires Burn Innocence* is a long-brewed musical trip that's equal parts rock, folk, and blues.

Lily Bloom

'One of the last pure blues slashers'

Ed Forman, *Columbus Free Press*, on guitarist Andy Frederick

'Matt has this Howlin' Wolf vocal approach, not overly embellished, pretty primal. When you combine that with his lyrical style, it's super evocative.'

Dan Sherwood, *Coal Fired Bicycle*
